NOTICE TO THE AGENTS AND CUSTOMERS OF THE MME. C. J. WALKER MANUFACTURING CO.

Mme. C. J. Walker's one desire, was to perpetuate the goods and products of the Mme. C. J. Walker Manufacturing Company, and to that end early in 1911 incorporated her business under the name of the Mme. C. J. Walker Manufacturing Company, with the main office in Indianapolis, Indiana. As such the Company has been doing business ever since.

Two years ago, realizing that her health was rapidly failing, Mme. Walker gathered about her experienced and competent employees, reorganized her Board of Directors, and turned her vast business over to the same. Under this new management, the Company has measured up to the high standard that made the Mme. C. J. Walker preparations famous the world over.

Because of her wise forethought, her unfortunate passing away at this time will in no wise effect the management of the Mme. C. J. Walker Manufacturing Company.

Mme. Walker's highly trained and amiable daughter, Mrs. Lella Walker Robinson, will succeed her as President of the Company. There will be no other changes.

(By The Associated Negro Press)

Chicago Victory Pageant Outclasses All Former Productions

(By The Associated Negro Press)
Chicago, June 5.—In the "The Victory Pageant" given at Quinn Chapel A. M. E. church, this week, the people of Chicago, witnessed the greatest production of the kind ever held here. There were more than 500 participants representing the various countries of the world, each trained perfectly to the manners and customs of the various peoples. After the processional, singing and dialog of those representing each country, tableaux scenes were formed, which, for beauty of color and harmony of pose, outclassed anything previously witnessed by Chicagoans. The costumes were marvelous in beauty and detail, each country represented by queen, potentate and attendants charming the audience by the excellency of taste.

The mammoth production was given under the personal direction of Miss Pauline James Lee and Clarence E. Muse, director of the Chicago school of Dramatic Art. This institution, the only one of its kind in the country, is making an enviable reputation under the management of its director, Clarence E. Muse.

Panama Laborers Poorly Paid

(By The Associated Negro Press)
Panama, June 5.—Six hundred rice employees of the commissary plants in the canal zone petitioned Gov. Harding for a flat wage of \$30 per month. The present pay is from \$25 to \$75 per month. The governor replied that executive order forbids paying more than \$75 to employees who are not Americans. He said the others should take their cases before the wage board.

National Ass'n. of Head Waiters Meet In New York June 10

(By The Associated Negro Press)
New York, June 5.—Judging by the arrangements which are now being made by the officers of the National Association of Head Waiters, the annual convention of the Association this year, which will be held at the national headquarters No. 425 Lenox Avenue, New York City, on Tuesday, June 10th, promises to be by far the largest and most interesting session ever held. Because of conditions growing out of the war the profession or calling of headwaiter has developed to such an extent and has arisen to such a point of dignity, that President Jos. T. Lee, Secretary, B. C. Waller together with Vice President W. T. White, are putting forth every energy to have the members of the Association out in force at the annual meeting. The principal thing will be the consideration of constructive plans which Vice-President White, general manager of the Association, has outlined and the safeguarding of the standard of dignity which the profession has

acquired, taking advantage of the unusual opportunities now offered the members, and adoption of a plan for a greater spirit of fraternalism.

BIG N. A. A. C. P. MEMBERSHIP DRIVE SUCCESSFUL.

The Dallas Branch National Association for the Advancement of Colored People swooped down upon Dallas' citizens in their drive for one thousand members last Sunday morning at all the churches in the city. Every church had been provided with a campaigner and with few exceptions all of the spell binders appeared at scheduled time.

The results were flattering and the Dallas Branch, after a tabulation was made, had 131 new members.

Sunday afternoon the Association met with Munger Avenue Baptist church on Munger avenue and those present were high in their praise of the meeting which was one of the most harmonious and successful since the organization of the N. A. A. C. P. in Dallas. Dr. C. W. Abington delivered a highly interesting address upon the work of the National Association and others spoke encouragingly of the drive for new members.

Mrs. M. L. Ray, the vice-president, presided and was commended very highly by those present for the manner in which she dispatched the business of the Association.

The Association will meet Sunday afternoon at 3:30 at the War Service Community House at No. 2411 Elm St., and will have an interesting program.

Mr. N. G. Penn, recently from France will give the members of the Association and the citizens of Dallas a history of his experience as a soldier in the foreign country; and the meetings committee has arranged for several musical numbers.

The membership is now 624 or just 355 shy of 1,000 mark and we have only two more Sundays in which to reach our quota.
